Fee in charge

Route in charge

Class Teacher

Terms & Conditions for School Transport

- The pick-up point is based on the address/locality where the child stays. The vehicle charges are decided according to the distance of the pick-up point from the school and also may increase from time to time, as and when there is a hike in the fuel charges, taxes, insurance, etc. as levied by the government on the vehicle contractors.
- The school is providing this facility of school vehicles purely as a help and assistance to the students, and undertakes no responsibility and liability for any loss or injury that may be sustained by a student or a parent arising out of availing such facilities. Responsibility or liability for any negligence or breach of duty in this connection shall rest exclusively with the contractor, his driver(s), or attendant(s) and NOT with the school. The parents and students undertake and agree not to initiate or maintain any action against the school and hereby waive all rights and remedies on this behalf, against the school.
- Parents will pay a transportation fee as decided by the school. The transportation fee will be charged quarterly along with other quarterly charges. In case of discontinuing with the school transport, parents need to give either one month's notice or one month's fee before withdrawing from the service.
- Full fees for both ways will be charged even if a student is travelling one way only.
- In case a cheque is dishonoured (for whatsoever reason) or a delay in payment, the bank penalty charged to the school will be reimbursed by the parents.
- Late fee of Rs. 100 per day will be charged for cheques drawn & delivered, after due date.
- The school will provide an attendant in the transport vehicle for the safety of students.
- In case of any breakdown, a service vehicle will be dispatched within 15-20 minutes to the breakdown site. Similarly, there may be abnormal delays in cases of heavy rainfall, other unforeseen and unavoidable circumstances resulting in traffic jams. Parents are requested to bear with such eventualities and co-operate whole-heartedly, which will be highly appreciated.
- Before filling the transportation form, parents are requested to be satisfied with the vehicle route, pick-up points, drop-off points, timings and services.
- Fee amount is subject to change without any prior notice if there is a suitable reason, for e.g. hikes in fuel prices, taxes, insurance taxes, etc.

Declaration

I shall not hold the school or its transport contractor or its staff responsible for any inconvenience or problem, for e.g. untoward incident or mishap regarding transport of my child. I am aware that the conveyance facility provided to me is a privilege and not a right.

I agree to abide by the above terms and conditions to enrol my child for school transport and request you to kindly accept my requisition form.
